

Current Concepts in Sleep and Neurodiagnostics - 2018 Tentative Meeting Agenda

Friday, August 24, 2018

Time	Moderator: William Anderson	Moderator: Deborah Holderman	Moderator: Elva Feucht
	Sleep Clinical Track	Sleep Technical/Allied Health Track	Neurodiagnostics Track
7:00-8:00 AM	Continental Breakfast – Visit Exhibitors		
8:00-9:00 AM	Keynote Presentation: Managing Sleep Apnea in the ICU – Richard Castriotta, MD		
9:00-9:45 AM	When Do You Need to Repeat a Sleep Study? An AASM Task Force Review-William Anderson, MD	Invited Lecture: A Look at the Sleep Center Workforce and AAST Developments - Plans to Keep the Profession on Track and Drive the Future of the Profession–Rita Brooks, MEd, RST, RPSGT, R. EEG/EPT	Critical role of NCV/EMG techniques in diagnosing ALS - Jean-Raphael Schneider, MD
9:45-10:30 AM	The evidence for a Latter School Start time for Adolescents– Jeannine Gingras, MD	Managing Emergencies in the Sleep Center - William Beauchamp, CRT, RPSGT	Status Epilepticus - Creating a Structured Approach to Chaotic Condition - Nancy Rodgers-Neame, MD
10:30-11:00 AM	Refreshment Break/Visit Exhibitors		
11:00-11:30 AM	Sleep Apnea and Dementia - Lisa Whims-Squires, DO	Workshop: Using Advanced PAP Therapies in the Sleep Center- Byron Jamerson, RPSGT, RST, CCSH	Periodic EEG Patterns in ICU: New Names for Old Patterns Rebecca Clark Bash, CNIM, R. EP T., CLTM, R. EEG T.
11:30-12:00PM	Early to Bed and Early to Rise and other Sleep Paradoxes in Adolescence- Bobbi Hopkins, MD		
12:00-1:00 PM	Luncheon		
	Moderator: Daniel Schwartz, MD	Moderator: Michael Longman	Moderator: Karen Thomas
1:00-1:45PM	Managing Patients with Metabolic syndrome – Reinerio Linares, MD	Scoring Bootcamp: “A Comprehensive Review of AASM Rules for Respiratory and Cardiac Event Scoring and an Independent Discussion on Frequently-Asked Questions” including a Poster Review – Joseph Anderson, CCSH, RPSGT, RST, RPFT, CRT-NPS DME Implementation—Expectations for the Sleep Center – Jason Wood, BS, RPSGT, RST, CCSH	NCV Interactive Workshop Moderator/Presenter: Jean Raphael Schneider, MD Hands On NCV Demonstrations - Susan Arriagada, R. EEG T., RPSGT Jennifer Laslo, R. EEG T. Karen Thomas, R. EEG T. Keiko Schwamlein, R. EEG T.
1:45-2:30 PM	Updates on Central Sleep Apnea - Karel Calero, MD		
2:30-3:00 PM	Central Hypersomnias - Diana Pollock, MD		
3:00-3:30 PM	Refreshment Break/Visit Exhibitors		
	Moderator: Lisa Whims Squires, MD		Moderator: Tiffany Sutton
3:30-4:30 PM	Sleep and Related Disordered Breathing Problems in the Pediatric Population – Ralph Dolfi, DMD		Acute and Preventive Stroke-2018 -- Ajay Arora, MD
4:30 – 5:15 PM	Update on CBT-I and Recent Modifications in Treatment - Jaclyn Lewis-Crowell, PsyD	Importance of Proper Documentation during PSG Recording- Lisa Whims Squires, DO	What’s Shaking in the LTM? – Aicha Konger, R. EEG T.
6:00 – 8:00 PM	SUN, SAND, BINGO AT THE FLAMINGO– PARTY ON THE BEACH - All Participants		

Saturday, August 25, 2018

Time	Moderator: William Beauchamp	Moderator: Joanne Elliott	Moderator: Sharon Liner
	Sleep Clinical Track	Sleep Technical/Allied Health Track	Neurodiagnostics Track
7:00-8:00 AM	Continental Breakfast – Visit Exhibitors		
8:00 – 9:00 AM	Keynote Presentation: Advanced PAP Therapies - Teofolio Lee-Chiong, MD		Keynote Presenter: The role of EEG-video monitoring in the diagnosis and treatment of seizures – Stephanie Maciver, MD
9:00 - 9:45 AM	Surgical Options and Neurostimulation in the Failed PAP Patient – Tapan Padhya, MD	Ear or Finger—What’s Best? Lessons Learned! Michael Hays, RPSGT, CCSH Margit Anderson, RPSGT, CCSH. Patti Vecchiarelli, CRT, RPSGT, CCSH	Monitoring in the ICU - How, What and When -Nancy Theresa Rodgers-Neame, MD
9:45-10:30 AM	Distinguished Lecture: Current Trends in Managing RLS Patients – Philip Becker, MD		Caring Without Boundaries (Mental Health Awareness)---Tracy A. Daniels, PhD
10:30-11:00 AM	Refreshment Break - Visit Exhibits		
11:00 AM –11:30 AM	Current Trends in Managing Insomnia Patients - Michelle Zetony, DO		LTM Processing: Updates on terminology, clipping, bookmarking and pruning – Karen Thomas, R. EEG T
11:30 12:15 PM	Featured Lecture: Technology to Personalize Care in Sleep Medicine – Teofolio Lee-Chiong, MD		Recognizing Unusual EEG Activity – Daniel Cabello, MD
12:15 - 1:00 PM	Lunch with Exhibitors		
	Moderator: Marietta Bibbs		Moderator: Esteban Troche
1:00-1:45 PM	From Sleep Drunkenness to Sleep Eating: An Update on Parasomnias – Daniel Cabello, MD		Brainstem Auditory Evoked Potentials: Interpretation and Pathology – Rebecca Clark-Bash, CNIM, R. EP T., CLTM, R EEG T
1:45-2:30 PM	Invited Lecture: New Concepts of Blood Pressure and Sleep – Richard Castriotta, MD		
2:30- 3:00 PM	Update on Diagnosis of OSA in Patients with TBI - Daniel Schwartz, MD		
3:00 – 3:30 PM	Refreshment Break –Visit Exhibits		
3:30 – 4:15 PM	The End of Daylight Savings Time in Florida; A Good Time to Review Circadian Rhythms for the Clinician - Lara Wittine, MD		
4:15 -5:00 PM	Dental Applications to Manage Sleep Apnea Patients – Ron O’Neal, DME
